

# Django Chutney Tech Spec

We travel with

**2 x Fishman Loudbox mini guitar amps**

**+ 1 small bass amp.**

**3 x vocal mics and stands.**

This is enough to provide amplification for venues upto 40 person capacity.

We can provide a PA for larger venues if notified.

Monitors only required at venues with 40+ capacity.

A balanced mix of the FOH sound should be sent to all 3 monitors.

We like to keep stage volume as low as possible, so please keep monitor mixes quiet, and consistent.
